

Creating a new AWS account

This document shows the steps to create a new AWS account for dRural:

1.- Create your account with your preferred email address.

Sign up for AWS

Root user email address

Used for account recovery and some administrative functions

AWS account name

Choose a name for your account. You can change this name in your account settings after you sign up.

[Verify email address](#)

Sign up for AWS

Confirm you are you

Making sure you are secure -- It's what we do.

We sent an email with a verification code to **drural@idieikon.com**. ([not you?](#))

Enter it below to confirm your email.

Verification code

[Verify](#)

[Resend code](#)

Didn't get the code?

- Codes can take up to 5 minutes to arrive.
- Check your spam folder.

2.- Chose your password.

Sign up for AWS

Create your password

✔ It's you! Your email address has been successfully verified. ✕

Your password provides you with sign in access to AWS, so it's important we get it right.

Root user password

.....

Confirm root user password

.....

Continue (step 1 of 5)

3.- Complete your contact information.

Sign up for AWS

Contact Information

How do you plan to use AWS?

- ☒ Business - for your work, school, or organization
☐ Personal - for your own projects

Who should we contact about this account?

Full Name

dRural

Organization name

IDI EIKON S.L.

Phone Number

Enter your country code and your phone number.

+34961124000

Country or Region

Spain ▼

Address

Avda. Benjamín Franklin 27

Apartment, suite, unit, building, floor, etc.

City

Paterna

State, Province, or Region

Valencia

Postal Code

46980

☒ I have read and agree to the terms of the [AWS Customer Agreement](#) .

Continue (step 2 of 5)

4.- Put your credit card information.

Sign up for AWS

Billing Information

Credit or Debit card number

AWS accepts all major credit and debit cards. To learn more about payment options, review our [FAQ](#)

Expiration date

▼

▼

Cardholder's name

Billing address

☒ Use my contact address

Avda. Benjamin Franklin 27
Paterna Valencia 46980
ES

☐ Use a new address

Verify and Continue (step 3 of 5)

You might be redirected to your bank's website to authorize the verification charge.

Amazon AWS allows SEPA direct debit payments but first monthly invoice must be fully paid with credit card in euros. After first credit card payment you will be allowed to pay via SEPA.

5.- Verify your account with a phone. You will receive a phone call or SMS for validating phone number.

Sign up for AWS

Confirm your identity

Before you can use your AWS account, you must verify your phone number. When you continue, the AWS automated system will contact you with a verification code.

How should we send you the verification code?

- ☒ Text message (SMS)
☐ Voice call

Country or region code

Spain (+34) ▼

Mobile phone number

Security check

Type the characters as shown above

Send SMS (step 4 of 5)

6.- Verify your phone with received code.

Sign up for AWS

Confirm your identity

Verify code

[Continue \(step 4 of 5\)](#)

Having trouble? Sometimes it takes up to 10 minutes to retrieve a verification code. If it's been longer than that, [return to the previous page](#) and try again.

7.- Select a support plan. We recommend Basic free support.

Sign up for AWS

Select a support plan

Choose a support plan for your business or personal account. [Compare plans and pricing examples](#)
 You can change your plan anytime in the AWS Management Console.

☒ Basic support - Free

- Recommended for new users just getting started with AWS
- 24x7 self-service access to AWS resources
- For account and billing issues only
- Access to Personal Health Dashboard & Trusted Advisor

☐ Developer support - From \$29/month

- Recommended for developers experimenting with AWS
- Email access to AWS Support during business hours
- 12 (business)-hour response times

☐ Business support - From \$100/month

- Recommended for running production workloads on AWS
- 24x7 tech support via email, phone, and chat
- 1-hour response times
- Full set of Trusted Advisor best-practice recommendations

Need Enterprise level support?

From \$15,000 a month you will receive 15-minute response times and concierge-style experience with an assigned Technical Account Manager. [Learn more](#) 

Complete sign up

8.- Congratulations, creation is complete

Congratulations

Thank you for signing up for AWS.

We are activating your account, which should only take a few minutes. You will receive an email when this is complete.

[Go to the AWS Management Console](#)

9.- Sign in to console as Root user.

Sign in

☒ **Root user**

Account owner that performs tasks requiring unrestricted access. [Learn more](#)

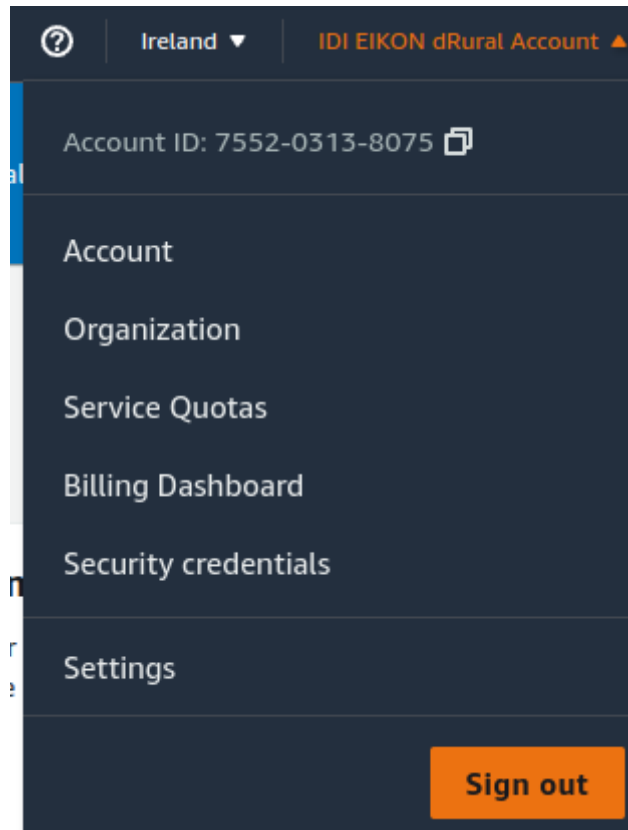

☐ **IAM user**

User within an account that performs daily tasks. [Learn more](#)

Root user email address

Next

10.- Set your default payment currency. Open right top menu and go to **Account**.

▼ Payment Currency Preference

AWS services are priced in US Dollars. If you prefer to pay in a different currency, AWS can charge your Visa or MasterCard in any of the currencies below. Your credit card issuer may charge a fee for transactions in other currencies. You can change your currency preference any time. [View Terms and Conditions](#)

Select Payment
Currency : Today's applicable exchange rate from USD to EUR: 0.959096

11.- (**Optional**) Change to SEPA payment for second and later invoices. From top left menu go to Account. Go to Payment methods in left menu.

Bank accounts

There are no bank accounts associated with this account.
